An exploded view diagram of a mechanical assembly, likely a door latch or lock mechanism. The components are numbered 1 through 20. The assembly consists of two main black plastic housing halves (7 and 12) which are joined by two red plastic inserts (11). Various metal components, including screws (18), washers (15), springs (13), and pins (14), are shown in their relative positions. A metal pin (19) is shown at the bottom. The diagram is set against a white background with a red border.
