CRG, “A PERFECT YEAR”

All the victories of the CRG works team drivers collected in a video describing the fantastic 2013 season.

“A Perfect Year” is the title of the video produced to celebrate the stunning 2013 of CRG Racing Team. A flow of spectacular images will tell the story of a record season ended with the KF World Championship title won by Tom Joyner and Tinini Group and with the impressive series of International titles collected by Max Verstappen in the KZ World Championship, European KZ1 and KF Championships, WSK Euro Series KZ1 and WSK Master Series KZ2.

Such an excellent result awarded the quality of chassis and all products by CRG, a world leading company in karting with a very rich sportive awards list.

Alongside the exceptional success obtained in the International Championships, several other good results have been scored by all the drivers wearing CRG official colors in 2013 and their images will thus complete the evocative footage of “A Perfect Year” produced by Monza Informa.
